

FBFA Series

Ferrite Bead

Size 4030

FEATURES

- AEC-Q200 qualified
- Operating temperature: -55 to +125 °C (including

APPLICATION

- Power Line filter for body controls, electromotor and car multimedia etc.

Dimensions: [mm]

Electrical Properties:

A	()	()	A (m)	△ A °C	△ A °C

Typical Electrical Characteristics:

Impedance VS Frequency
